Having read the first two novels in the "Passing Bells" Trilogy I could not wait to get my hands on "A Future Arrived". As he did with the second book, "Circles of Time", in this the third and final edition the author moves ahead in time and introduces us to a whole new generation of Grevilles and Rilkes.

Origins. Historically, a bell would be rung on three occasions around the time of a death. The first was the "passing bell" to warn of impending death, followed by the death knell which was the ringing of a bell immediately after the death, and the last was the "lych bell", or "corpse bell" which was rung at the funeral as the procession
