Cloze is a technique that is popular with middle school students as well as teachers. Some refer to it as "fill-in-the-blank" work due to worksheets and tests in which words are removed from text and replaced with blanks. Although mainly used in situations requiring written responses, cloze is also useful for ensuring student participation in shared reading during which students signal that they are following a teacher's read-aloud by saying words that the teacher drops on purpose.

Cloze Activities. Cloze activities are great vocabulary builders. Cloze activities come highly recommended by proponents of the Lexical Approach such as Michael Lewis. We have grouped them in three general categories holiday, children's and adult, although many adult students would probably find the children's cloze activities useful. Holiday.

### Cloze Activities and Worksheets - Lanternfish ESL

The cloze procedure can be used to teach reading because it goes beyond the sampling, reconstructing and matching demands of normal reading (Rye, 1982: 7). The reader not only reads the text but must also produce a word to fit a given context. The cloze procedure requires a search of a distribution of elements for the missing element.
