ELECTORAL GOVERNANCE: MORE THAN JUST ELECTORAL ...

An alternative approach to classifying electoral systems is to focus on the outputs, that is on the actual disproportionality.

Such a classification is based on the question of the extent to which votes are translated into actual seats,

Electoral Systems - an overview | ScienceDirect Topics

An electoral system determines the way in which votes cast in a general election are translated into seats in the legislature.

Electoral systems can be grouped into four categories based on their electoral formula:

Plurality/majority
