### Food, Inc. - Wikipedia

This paper gives an analysis of the documentary highlighting its main points, the effects it has to the society and the way to reduce these challenges. The main points about the documentary. The documentary was created by director Robert Kenner and narrated by Eric Schlosser (fast food nation).It explores how the food industry has been consumed by corporations and the way this affect farms where these foods come from, then to the market where we purchase and the hotels where we eat the foods.

### The Main Points About The Documentary: Food, Inc. , Movie ...

Food, Inc. also criticizes the role of the U.S. government in skewing prices lower for unhealthy foods through subsidies for corn. These subsidies bring down the cost of processed foods made with high-fructose corn syrup and other corn-based products and make the market less competitive for other foods.
