So, a Missed
Relationship With
Opportunity? It is
The Non-Resident
Indians
tempting to conclude
that India has missed
an opportunity, but the
devil certainly lies in
the details. The
Chinese investment is
expected to enable
Bangladesh to bolster
its capacity and use
more water from the
river by improving
water-use efficiency
while reducing the
losses from floods and

EU-India relations are strained by difficulties and misconceptions, but they have much in common: they are both constituted of 28 states, with different languages, social and cultural systems, economic diversity and complicated relations with their neighbours. These similarities provide grounds for closer relations.
