### Jack Glass Adam Roberts

Jack Glass, by Adam Roberts is a book that tries too much to be many things but ultimately fails in most, if not all of them. Jack Glass by Adam Roberts (Gollancz, July 2012, 373 pages)  
Jack Glass is an impossible book. +++ I've had this on my radar ever since it came out but it wasn't until it won the British Science Fiction Award for Best Novel this year that I decided to read it. ### **Jack Glass by Adam Roberts: an Impossible Book**

Adam Roberts' Jack Glass (2012) carries the subtitle 'A Golden Age Story', which, for me at least, problematised the book before I'd even started reading it.
