Sushi: Food for the eye, the body & the soul, by Ole G. Mouritsen Probably, you've never heard of Ole G. Mouritsen. I certainly never have, until I stumbled upon his book, at a local library, when I was casually browsing through cookbooks. Mouritsen is not a sushi chef. He is not even a professional chef. He is a p

Book Review: Sushi, food for the eye, the body & the soul

Few have been more attuned to this remarkable transition than Ole G. Mouritsen, an esteemed Danish scientist and amateur chef who has had a lifelong fascination with sushi's central role in Japanese culinary culture. Sushi for the Eye, the Body, and the Soul is a unique melange of a book. In it, Mouritsen discusses the cultural history of sushi, then uses his scientific prowess to deconstruct and explain the complex chemistry of its many subtle and sharp taste sensations.
