The South Pole An Account

A polar masterpiece of history and adventure, The South Pole is the stunning first-hand account of one of the greatest success stories in the annals of exploration. Most skillfully Amundsen constructs the expedition's character through its personalities the cast of veteran explorers, scientists, and crew providing insight not only into Amundsen's philosophy of exploration, but into the classical age of polar explorers.

The South Pole: An Account of the Norwegian Antarctic ...

Captain Amundsen was the leader of the first expedition to reach the South Pole, on December 14, 1911. His account was originally published as two volumes in 1913 and is here reproduced in a single package for the first time. Amundsen and his team endured frostbite, snow blindness, and other horrors, all of which are well chronicled here.
