The best part is that while you can browse through new books according to your choice, you can also read user reviews before you download a book.

Zelda Wind Waker Players Guide

Got this guide book to help me get 100% on the legendary game that is The Legend of Zelda Wind Waker. I prefer flipping through a real book full of beautiful graphics rather than looking things up on my laptop or cellphone. I'd highly recommend this guide book. I ended up using this guide when Wind Waker was re-released on the WiiU in HD.

Zelda Wind Waker Players Guide [EPUB]

Once these two are dead, a door directly across from the door you used to originally enter this area unseals. Go through it to find two tiles, one with the Triforce emblem, and the other with a wind marking on it. Stand on the wind marked tile and play the Wind's Requiem. A chest will appear; open it to get Triforce Chart #7.

World Entourage, Part 1: The Triforce Charts - The ...

The Legend of Zelda: The Wind Waker is an open world action-adventure game with role-playing elements. The control scheme is comparable to its predecessors: the player moves the protagonist Link in three dimensions from a third-person perspective. Link fights with a sword and shield as well as a variety of other weapons and items.
